- If you attend a mass, please check in the sacristy to ensure that all readings are covered.
- If you cannot read on the scheduled date, please find a substitute (easiest way is to put out an email to the group!) and/or let me know so that arrangements can be made. (**630-7617** or **email at vargom@msn.com**) **Do not just rely on your partner to cover the reading for you.**
- The schedule will be emailed, mailed through the Post Office to those who request it, posted on the St. Helen website, and posted in the Ministry binder in the Sacristy.
- I will be working on the schedule for November and December during the month of October and will try to have it out by the 15th of October. Please email or call me if you have an upcoming conflict for those two months so that I can schedule appropriately. With the holidays occurring during the next scheduling period, I will need to know ASAP what dates people will not be available well ahead of time in order to schedule appropriately!

“People must receive and embrace the word and allow it to become a transforming influence in their lives. Before they can do that, lectors must help them to hear it.” – 2010 Workbook for Lectors, Gospel Readers, and Proclaimers of the Word

Thank you helping our community hear God’s word through this important ministry!
